

Signal Vault Broker Inventory Packet

25 partner-ready U.S. business numbers for co-brokers, agencies, and local-business advisors

Purpose: give trusted partners a fast way to shortlist numbers for clients in real estate, law intake, Chinese-owned businesses, home services, local ads, and professional services.

Transaction rule: purchases, offers, and transfers should stay on NumberBarn or another manually reviewed trusted platform. Do not request private payment.

How to use: send a 3-5 number shortlist to a buyer only after manually checking live availability and fit. Use the CSV for clickable NumberBarn links.
