

Signal Vault Partner One-Pager

Premium U.S. business numbers for agency referrals, local ads, and client brand upgrades

Who this is for: website builders, SEO agencies, Google Ads consultants, real estate marketers, law firm marketers, and local-business advisors.

Core offer: recommend memorable U.S. business phone numbers to clients who already depend on phone leads. Purchases, offers, and transfers stay on NumberBarn or another trusted platform.

Best client types: real estate, mortgage, insurance, law firms, medical intake, restaurants, Chinese-owned businesses, contractors, towing, HVAC, plumbing, and urgent local services.

Simple referral flow

1. Share the client's industry, preferred area code, budget, and favorite patterns such as 666, 000, 9111, or repeated digits.
2. Receive a 3-5 number shortlist with public detail pages and NumberBarn purchase or offer links.
3. Send the shortlist to the client. The client completes purchase, offer, and transfer through NumberBarn.

Sample message

I can help you review a small portfolio of memorable U.S. business phone numbers for your ads, signage, website, and Google Business Profile. If you tell me your industry, target area code, and budget, I can send 3-5 matching NumberBarn links.

Important: do not accept private payment. Always verify live NumberBarn availability before quoting final availability to a buyer.
